1) I realize Tony Stark is an old dude, but really. He hasn't bought any new music since 1983?

2) Soviet-era dentistry! A movie trope much-missed here in the decadent west.

3) War Machine's secret identity is... *Dad?*

This looks like a good idea.

...

This.

...

Little guy's not bad.

Gotta teach RHex to smear.

He swore me to secrecy.

4) Bring earplugs.

5) "World's biggest" IMAX screens today are the size of regular movie screens when I was a kid. I remember when getting up to your seat in an IMAX theatre involved a chain hoist. \*totters on cane\*

Au contrair. He would never have let anyone see the chain gun.

Not if they were going to live.
